2. **11/18** **Declarations of interest**
 Members are asked to declare any interest, and the nature of that interest, which they may have in any of the items under consideration at this meeting.

 No declarations made.
3. **12/18** **Boundary Changes**
NAK provided contextual information on the boundary review. It stems from the community governance review, which is carried out every 1-11 years.

 Following a discussion of the advantages and disadvantages of extending Awbridge Parish, it was proposed that Council's response to the Community Governance Review should be:

 Awbridge Parish Council wishes to respond to the review as follows:

 Properties near to the junction of Old Salisbury Lane and Danes Road. These properties are within Awbridge. However, part of their gardens are within Romsey Extra. It would seem sensible to regularise this anomaly by taking these properties wholly into Awbridge Parish.

 Old Salisbury Lane. It is felt that Stanbridge House and its garden, which similarly sits in isolation as part of Romsey Extra but surrounded by properties in Awbridge, should be transferred to this parish. This would be carried out at the request of the owner and has been agreed in principle by Romsey Extra Parish Council.

 Properties in Stanbridge Lane on the B3084 opposite Stanbridge Earls, namely The Little House and Appletree Cottage. These properties sit in isolation on the boundary with Romsey Extra and it would seem sensible to absorb them into Awbridge. **Resolved.**
